

Rotary Club of Paradise

Fund Request Process

The Rotary Club of Paradise is a service club that works in many ways to support the community, including making contributions to groups and projects that will benefit the larger community.

Project requests will be considered if they meet the following criteria:

- Is a group or organization that is chartered to help support segments of the community, such as youth, community outreach, health and safety efforts, etc.
- Is a project that will benefit the community in a substantial or necessary way
- Is supportive of and in alignment with the Rotary's goals and mission

Project requests that are from an individual or do not serve or support the community at large are not usually funded.

If you believe your project is worthy of consideration by the Rotary Club of Paradise, please complete the application and submit to the Club Service Chairman at PO Box 820, Paradise, CA 95967.

Projects that are considered to be appropriate for consideration by the Board of Directors of the Rotary Club of Paradise will be taken to the next appropriate monthly board meeting.

Not all requests will be deemed appropriate for board consideration, but some may be considered appropriate for introduction to the club membership. If that is the case, the individual making the request will be allowed to visit the club on a specified date to solicit the membership during the lunch period of the meeting. No more than two individuals will be invited per meeting to take advantage of this option. Individuals who are invited to the meeting for this purpose will be allowed to have a bucket for donations and will be stationed at a table in the back part of the room from 12 noon to 12:30 pm to inform members about their cause. There will be no public announcements from these individuals.

Please print, sign and mail the following application to:
Rotary Club of Paradise - Community Service
PO Box 820
Paradise, CA 95967
